- 5. The auto park consists of nine Skoda and Tatra passenger cars, two shop cars, two radio cars, 16 Wieppon prime movers and 12 trucks.
- 6. In the spring coll953 the regiment took part in two major firing exercises in the mountains near Trencin. Recruits pass through the training company, where they spend a period of two months before being assigned to sections. Those who cannot qualify politically remain in the training company. Political training takes as much two or three hours a day, and leaves the men little free time. Leaves are given only after a period of months.
